1.	QUSAHWIRA FIELD DEVELOPMENT PROJECT PHASE II CLIENT: PETROFAC EMIRATES LLC (EPC CONTRACTOR)	<p>Fixshine General Contracting is currently deployed at QUSAHWIRA FIELD DEVELOPMENT PROJECT for the Mechanical works of Well pads and single wells which includes Erection of Piping, Structure, Pipe Supports, NDT & PWHT, Hydro-tests, Pre-commissioning & Support to commissioning. FSGC already completed Six numbers of main well pads & many other single wells. Petrofac Emirates LLC has admired the skills & expertise of FSGC which has completed the most critical & difficult tasks in a professional and timely manners.</p> <p>Keeping in view the efficient and professional approach of FSGC, Petrofac has urged and considered FSGC for all newly awarded well pads & other Mechanical related works which shows their entire satisfaction & trust on Fixshine General Contracting.</p>
2.	REPLACEMENT OF OLD REDUNDANT NITROGEN PACKAGES AT COMPRESSION STATION 04 (CS-04) HABSHAN CLIENT: PETROFAC EMIRATES LLC (EPC CONTRACTOR)	<p>Petrofac Emirates LLC has awarded a very specialized and under warrantee job of CS-04 Habshan plant for the replacement of existing 02 Nos. old & redundant Nitrogen Generation Packages with the latest and new ones. Fixshine General Contracting was given a task to replace both units without having a shutdown of compression station plant i.e to avoid the huge production loss. Another critical task was to keep intact the instrumentation air lines which were connected inside both packages without having any shutdown valves to isolate them.</p> <p>FSGC arranged the alternative nitrogen generation units in coordination with Petrofac and provided nitrogen to plant through a bypass system to avoid the shutdown. The actual scope of work was to replace the existing units which were under the process shed through high level rigging expertise. The complete job was inclusive replacement of 2 units of N2 Packages, Piping, Electrical & Instrumentation works and pre-commissioning and assistance to Petrofac's Vendors for Commissioning both for Mechanical & E&I.</p> <p>Fixshine has recently completed the scope of Nitrogen Generation Packages successfully and to the entire satisfaction of Petrofac & ADNOC.</p>
